Public Works Reminder

The Public Works Department would like to remind all residents that when they are removing snow from their driveways, please do not push the snow across roadways in a way that will create ridges. These are hazardous for the township plow operators and other vehicles.

If you have hired a snow removal contractor, you should be discussing this with them. The property owner is responsible for the actions of their snow removal contractor.

Volunteer Opportunities

Are you interested in joining a committee of council and are a resident or property owner in Billings Township? We are accepting applications for members for the NEW Senior's Advisory Committee (SAC)!

The SAC will:

The Committee shall ensure that all recommended options align with the municipality's strategic plan, including sustainability, inclusivity, and community well-being
- Identify barriers to access Township programs and services by seniors and those with accessibility issues.
- Identify potential funding sources, grants, or partnerships that could support the development of senior programming
