November 1 – March 31

Tuesday & Thursday 2:00pm – 6:00pm
Saturday 1pm-4pm
Sunday 10am- 4pm

Upcoming Council Meetings

Regular Council Meetings: February 7th @ 21st, 2023

Council Meetings will be held in person at the Kagawong Park Centre

Council Agenda Packages will be available on the website at: <https://billingstwp.ca/council-meetings/2023-council-agendas-and-minutes/>

Fire Department Reminders

Please ensure that your driveway access is wide enough for emergency response vehicles. If your driveway or private road is too narrow, steep, or unsafe for emergency response vehicles, these vehicles may not be able to access your property in the event of an emergency.

If you have any concerns please contact Martin Connell, Fire Chief, at (705) 348-1484.

Public Works Reminders

The Public Works Department would like to remind all residents that when they are removing snow from their driveways, please do not push the snow across roadways in a way that will create ridges in the roadway. These are hazardous for the Township Snow Plow Operators. If you have hired a snow removal contractor, you should be discussing this with them. The home owner is responsible for the actions of their snow removal contractor.

General Updates/Project Updates/Grant Applications

Council appointed new and existing members to the Lake Kagawong Resource Committee, Climate Action Committee and the Parks, Recreation and Wellness (PRW) Committee. The PRW Committee had their first meeting on Monday January 23, 2023 and the Climate Action Committee will meet on February 15th, 2023 @ 7:00pm at the Park Centre.

Short Term Accommodation Rental Application Packages have been prepared and are available at the Township Office! If you have any questions, please contact Arthur Moran (705) 282-2611 x 226 or bylaw@billingstwp.ca.

Due to structural concerns the fire hall project could not proceed as originally tendered. At the recommendation of the Engineer, Council approved a complete demolition of the existing Fire Hall building and to erect a new building in its place at the same location.

Outdoor rink improvements have been completed and the rink is OPEN! Partially funded by the FedNor Canada Community Revitalization Fund; Calhoun Super Structure has finished the installation of the new soft cover structure; new lights have been installed by Henderson Electric and the Public Works crew installed new seating. Our volunteers have spent countless hours training and making sure the ice is safe and ready to go, please thank one of our many volunteers if you see them! For more information on how to purchase rink board advertising or donating to the outdoor rink, please contact Tiana Mills (tmills@billingstwp.ca).

The Old Mill Road Waterline Project is in the engineering and design phase, with this work being conducted by EXP Services Inc. A tender for general contracting is expected to be issued early this month. This project is partially funded through the Investing in Canada Infrastructure Program (ICIP) - Green Stream.

The Kagawong Fitness Centre and Bulk Water at the Fire Hall remain off limits. As a result of the delays in the fire hall project a new Bulk Water system will be installed at the Water Treatment Plant by the Ontario Clean Water Agency (OCWA) in early February 2023. Water is available at the Public Works Garage in the meantime, please bring your own hose. Further details will be provided when available. If you have any questions or concerns, please contact Todd Gordon, Municipal Project Manager, at tgordon@billingstwp.ca or (705) 923-6189.

Committee Updates

The Parks, Recreation and Wellness Committee is hosting a Family Day Skate and Slide event on Monday February 20th, 2023 at the Kagawong Outdoor Rink. Mark your calendars and stay tuned for more details!
